Tēnā koutou and haere mai to the 78th Annual General Scientific and Scientific Meeting of the New Zealand Society of Otolaryngology, Head and Neck Surgery, to be held at Napier War Memorial Centre, Hawke's Bay, New Zealand; from 6th – 9th October 2025.

ORL 2025 aims to bring together leading experts, researchers, and professionals in the field of Otolaryngology, Head & Neck Surgery, providing a unique platform for knowledge exchange, networking opportunities, and the exploration of innovative developments in the ORL field.

With a diverse range of sessions, panel discussions, and workshops, the conference promises to be an enlightening and immersive experience for all participants, regardless of whether your work is focused on the full breadth of ORL or any of the sub-specialties.

In addition to the informative sessions, ORL 2025 will also feature a vibrant exhibition hall, showcasing the latest advancements in medical equipment, pharmaceuticals, and related services. This will be an excellent opportunity for you to connect with industry leaders and explore cutting-edge technologies that can enhance your clinical practice.

Thank you for considering our invitation. We eagerly await your participation and look forward to welcoming you to the Hawke's Bay, for an unforgettable conference experience.

Should you require any assistance or further information, please do not hesitate to contact our dedicated conference support team at conferences@w4u.co.nz.
