This event is the annual scientific meeting of the NZ Pain Society Inc.

On behalf of the local organising committee, it gives me pleasure to invite you to join us in Wellington for the New Zealand Pain Society Annual Scientific Meeting (ASM) from 20-22 March 2025, at Te Papa Tongarewa, Wellington, New Zealand.

Much like weaving a kete (basket of knowledge), we hope this ASM will provide a collective opportunity to learn, reflect & connect to improve equitable outcomes in pain care for everyone.

We are also delighted to host the TOPP Day - 'The Occasional Pain Practitioner Day' which was very successfully launched in 2024.

The 2025 ASM has a vital role in bringing together both local and international practitioners in the pain arena. Join us, and help us connect and come together to enhance our collective ability to understand and manage pain.
