LEADERSHIP IN EMERGENCY NURSING GRANT

Purpose

The Emergency Nursing Leadership Grant provides funding to support the development of current and aspiring leaders within the emergency nursing workforce.

The grant

The grant aims to foster leadership capability, strengthen professional growth, and build a sustainable pipeline of skilled nurse leaders who can positively influence patient care, workforce wellbeing, service improvement, and innovation within emergency nursing settings.

Funding may be used to support participation in leadership-focused course, workshops, conferences, mentoring programmes, coaching or other educational initiatives that enhance leadership knowledge and capability.

Applicants are encouraged to demonstrate how the proposed activity will:

- Develop their leadership capability and confidence.
- Enhance their contribution to emergency nursing practice and service delivery.
- Support the growth and development of colleagues and future leaders.
- Contribute to positive outcomes for patients, whanau, healthcare teams and organisations.
- Advance equity, cultural responsiveness and excellence within emergency nursing services.

Through investing in leadership development, this grant aims to empower emergency nurses to lead with excellence, drive positive change, and strengthen the future of emergency nursing.

Inclusion criteria:

- Applicants must be a full and current CENNZ-NZNO member for a minimum of two (2) consecutive years when applying.

Exclusion criteria:

- Funding will not be provided if the applicant has received a CENNZ-NZNO grant within the previous financial year.
