ABOUT THE COURSE:

The Australian College of Emergency Nursing Ltd. is pleased to offer the International Trauma Life Support Course (ITLS) throughout Australia and New Zealand.

This 20 hour internationally recognised course gives you the knowledge and hands on skills to take better care of trauma patients. The program utilizes many case-based scenarios as a teaching methodology.

ITLS is a comprehensive course for doctors, registered nurses, enrolled nurses, pre-hospital care providers and paramedical personnel, which emphasises a team approach and recognises the value of your role. The ITLS framework for rapid assessment and effective trauma care is a global standard that works in any situation.

COURSE CONTENT

- Hands on skill stations include:
- Basic and advanced airway
- Chest decompression and fluid resuscitation
- Spine management – rapid extrication, short and long back board, helmet management and log roll
- Traction splints
- Patient assessment & management

COURSE MATERIAL

Once your enrolment is confirmed, your ITLS Provider Manual will be mailed. It reinforces and supplements lectures and psychomotor skills content. The comprehensive manual, and pre-test provides information regarding essential course concepts and should be thoroughly reviewed before the course.

ITLS is eligible for continuing education points for Nurses, Royal College of Rural and Remote Medicine, Royal Australian College of General Practitioners, Australasian College for Emergency Medicine and Ambulance Service personal.

The Australian College of Emergency Nursing Ltd. will award 20 in-service hours to participants who attend the entire course regardless of their performance during testing.
