

KISHA LAVEN

Hi all!

My name is Kisha, im 33 years old and have been living in Dunedin with my two kids for eight years now. I moved here for my first position following graduating from Southern Institute if Technology.

I have been working as an Enrolled Nurse in Main Operating Theatre in Dunedin Public Hospital for the past eight years. I have seen many changes for enrolled nurses during my time, and wish to not only learn more about my national colleagues, but also share my own knowledge. I have been working as an NZNO delagate for almost two years as I am passionate about making changes and providing support within the work force. I have worked in strike planning and public speaking within my time as delagate. I also work with an agency providing causal work in rest homes locally. I have done this for about 4 years now and love my time spent in different environments.

Many thanks,

*Kisha Laven*
