

New Zealand Gastroenterology Nurses College Committee Member Election

Nomination Profiles x 5

1. Caroline McClutchie

Tauranga Hospital
Tauranga

Profile:

Length of time as a member of the NZgNC: 8 years

Work experience, including level of responsibility: I am a senior nurse in the Endoscopy Unit in Tauranga Hospital with over 10 years experience. My responsibilities include education, updating protocols, on-call and back up support to our IBD nurse specialist.

Briefly explain why you think you are suitable for this position I feel I would add value to this role due to my extensive knowledge of endoscopy procedures both diagnostic & therapeutic in gastroscopy, colonoscopy & ERCP

2. **Emma Deere**

MacMurray Centre
Tauranga

Profile:

Length of time as a member of the NZgNC Just re-joined, previous member for 3-4 years

Work experience, including level of responsibility: current nursing leaders and endoscopy nurse. Five years endoscopy experience, three years leadership. Currently studying Masters of Nursing.

Explain briefly why you think you are suitable for this position: I am passionate about improving services and building relationships within the specialty. As we are heavily involved in outsourcing I believe it would be beneficial to private facilities to be involved with the committee.
