No employee shall work more than six consecutive duties without a break of twenty-four hours: Except that, at times, on a rostered basis District Nurses may work seven shifts in a row to provide cover for weekends. Four days off shall be available each fortnight and usually two days off per week. Wherever possible, two consecutive days will be provided unless otherwise mutually agreed. Salaries for the positions covered by this Agreement are detailed in Clause 14.
- 10.2. **Administration/Customer Service Staff:** An employee's normal hours of work shall be as specified in the employee's individual terms and letter of offer. The normal hours of work shall be worked on any days of the week. Two days off shall be available each week and these shall be provided separately no more frequently than one week in six. On all other occasions they shall be provided as consecutive days.
- 10.3. Each employee shall be provided with a written copy of any additional individual terms of employment which shall not be inconsistent with this Agreement. The individual terms shall state the employee's agreed hours not otherwise specified in this Agreement including where applicable, the employee's minimum guaranteed hours of work, the days of the week the work will be performed, the start and finish times of the work and any flexibility relating to days of work and start and finish times. Any agreed variation to the employee's hours shall be recorded and a copy provided to the employee.
- 10.4. The employee's normal hours of work (including starting and finishing times) can be varied by the employer from time to time according to the changing needs of the employer's business, provided that such changes are by mutual agreement prior to implementation and at least two weeks' notice (except in exceptional circumstances) of such change is given.
- 10.5. The rostered period of work shall not exceed eight worked hours (exclusive of a meal break) unless mutually agreed otherwise between the employer and the employee and shall be scheduled to meet the service requirements established by the employer.

- 10.7. Rosters shall be displayed in a prominent place available to employees one month in advance of scheduled work.
- 10.8. Because the employer's business involves fluctuating requirements, the parties agree that changes to rosters once published shall be by mutual agreement.
- 10.9. Should the employer cancel any shift that a casual employee has agreed to undertake, we will give appropriate notice. For afternoon and night duties this will

be at least four hours' notice. For morning duties, this will be by 21.30 hours the previous evening. The employee may not claim payment where such notice is given. If the employer needs to cancel a casual shift with less notice than above, the employee will be paid as if the shift had been worked. Overtime will only be paid for weekend work when it is not possible to provide an additional day off due to staff shortages and fortnightly hours exceed 80. (Refer also clause 14.1)
- 11.6. No employee shall be required to work for more than 12 consecutive hours where their normal shift is of 8- or 10-hours' duration.

 - (b) For the purposes of this clause, redundancy means that the employee's position is surplus to the employer's needs, and
 - (c) Restructuring means that the employer has contracted or arranged for the employer's business or part of it to be undertaken by another person or company; or that the employer is selling or transferring the employer's business or part of it to another person or company; or that a contract or arrangement for the employer to carry out work has been terminated but the work is to be carried out by another person or company.

Two day's written notice of termination of employment is required from casual employees. Temporary employees shall cease their employment upon the termination of their fixed term agreement or earlier by either party giving two weeks' written notice of termination.
